

VOLUNTEER'S

Options in collaboration with the City of East Grand Forks, Mn and in coordination with the Minnesota Department of Natural Resources will be conducting an Accessible Archery Deer Hunt for people with disabilities. The hunt is open to any person with a disability who can legally hunt deer by archery. Volunteers make all the difference in ensuring the hunt is a memorable experience for the participants and if you would be interested in assisting, please apply. If you can spare any time, please fill out the attached form. There is also a section where you can fill in what job you would be interested in fulfilling. Please place a check alongside the job/s you would be most interested in.

Hunt Volunteers are needed Sept 24, 6:00 P.M. for an orientation. The hunt is planned for Oct. 9th - 11th. Sign up for the dates/times you are available, you do not have to sign up for the whole day just fill in the times that work for you. When volunteering all you have to bring are those things you would normally bring while deer hunting excluding the weapon.

If you have any questions please feel free to call or email me. The form can be emailed, texted, or mailed back to me. randy@myoptions.info (218) 779-7408 cell.
